

A large, abstract teal graphic on the left side of the image, consisting of several overlapping rounded shapes that create a sense of depth and movement. The color is a vibrant teal, and the shapes are layered to form a complex, organic form.

Dualis finance

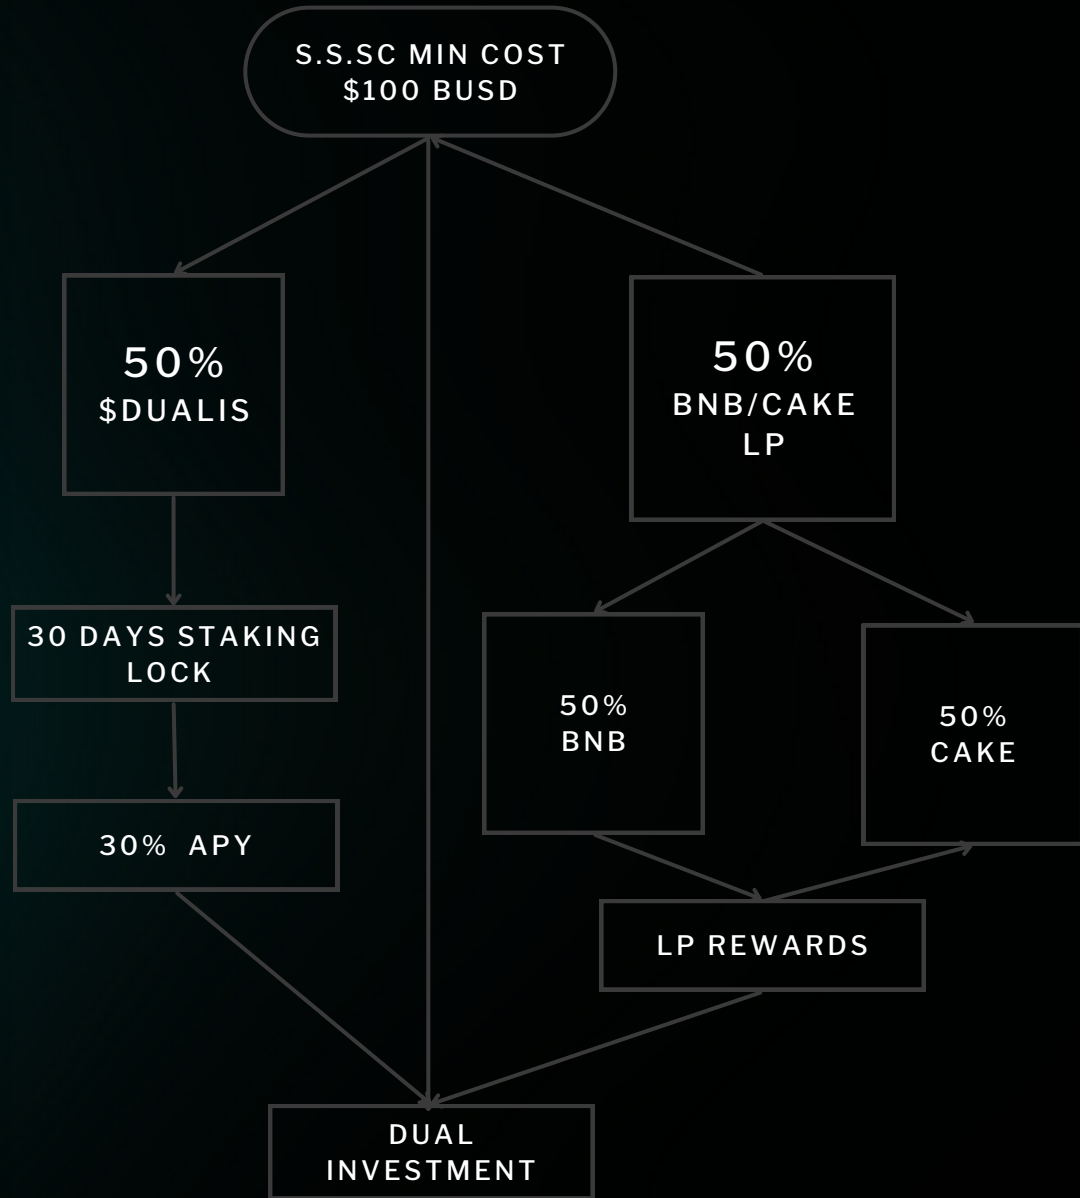

# SMART STAKER SC

## HOW ITS WORK:

To access the benefits of the Smart Staker SC of dualis finance, a minimum of \$100 BUSD is needed.

The distribution of funds to diversify risks is:

- 50/ Convert to \$dualis and lock for 30 Days at 30/ APY
- The other 50/ is distributed to create liquidity in the bnb/cake pair in pancakeswap
- This allows you to get performance in several ways

# \$DUALIS TOKENOMICS

Total Supply:  
100,000,000,000 DUALIS
